Follow Form Excess Liability Policy

THIS POLICY MAY CONTAIN OCCURRENCE, CLAIMS MADE, OR CLAIMS MADE AND REPORTED COVERAGES. VARIOUS PROVISIONS IN THIS POLICY RESTRICT COVERAGE. READ THE ENTIRE POLICY CAREFULLY TO DETERMINE RIGHTS, DUTIES AND WHAT IS AND IS NOT COVERED.

Throughout this policy the words "you" and "your" refer to the "named insured" shown in the Declarations and any other person or organization qualifying as a "named insured" under this policy.

The words "we", "us" and "our" refer to the company providing this insurance.

Words that appear in quotations in this policy have special meaning (see Section **V - DEFINITIONS** below).

SECTION I - COVERAGES

We will pay on behalf of the "insured" those sums in excess of the "retained limit" that the "insured" becomes legally obligated to pay as damages because of injury or damage to which this insurance applies.

Except as otherwise provided herein or endorsed to this policy, the insurance in this policy will follow the coverages, terms, representations, warranties, definitions, exclusions, conditions and limitations of the "followed policy" as of inception of this policy (subject to Section **IV.4.** below).

If any "underlying policy" includes any more restrictive coverage, terms, definitions, exclusions, conditions, or limitations, then this policy will follow the more restrictive provisions of any "underlying policy".

The amount we pay is limited as described in Section **III - LIMITS OF INSURANCE** below.

If any insurance provided by this policy would be in violation of any United States of America economic or trade sanctions, including, but not limited to, sanctions administered and enforced by the United States Treasury Department's Office of Foreign Assets Control ("OFAC"), then that insurance shall be null and void.

SECTION II - RETENTION

Our obligations in this policy shall only attach after the "retained limit" has in fact been exhausted by payment, in legal currency, of damages by or on behalf of the "underlying insurers". The risk of uncollectability with respect to any "underlying policy" or "underlying insurers" for any reason is expressly retained by the "insured", and is not insured under this policy or otherwise assumed by us.

This policy will not recognize the reduction or exhaustion of the "retained limit" due to payments of amounts with respect to any occurrences, claims, losses, damages or suits that are not insured under this policy.

If any "underlying policy" grants coverage subject to a sublimit of liability, this policy shall not afford such coverage, however this policy shall recognize any reduction or exhaustion of the "retained limit" by payments with respect to such coverage pursuant to that "underlying policy".

SECTION III – LIMITS OF INSURANCE

1. The amount stated as the aggregate limit of insurance in Item **3.B.** and, if applicable, **3.C.**, of the Declarations Page of this policy is the most we will pay for all damages insured under this policy.
2. Subject to **1.** above, the limit stated in Item **3.A.** of the Declarations Page of this policy is the most we will pay for all damages arising out of any one loss, occurrence, claim or event.
3. Defense costs and expenses shall operate in an identical manner to the "followed policy".

SECTION IV - CONDITIONS

1. Headings

The words used in the headings of this policy are solely for convenience, and form no part of the terms and conditions of the insurance provided by this policy.

2. Assistance and Cooperation

- a. We shall have the same rights, privileges and protections afforded in the “followed policy”. We shall also have the right, but not the obligation, to associate with the “insured” in the defense and settlement of any claim, suit or proceeding relative to an occurrence where a loss appears reasonably likely to involve us, in which event the “insured” shall co-operate with us in respect to the defense of such claim, suit or proceeding.
- b. Notwithstanding the foregoing, we will have the right and duty to defend any claim made or suit brought or proceeding instituted against an “insured” to which this policy applies if the applicable limits of “underlying policies” have been exhausted in accordance with **Section I – COVERAGE**.

3. Changes to “Followed Policy”

- a. We agree that we will follow:
 - i) All changes made to the coverages, terms, representations, warranties, definitions, exclusions, conditions and limitations of the “followed policy” that do not broaden the scope of the insurance already provided; and
 - ii) All additional “insured” and/or additional “named insured” changes subsequently endorsed on the “followed policy” that are not subject to an additional premium charge with respect to the “followed policy”.
- b. Notwithstanding the foregoing, the following changes to the “followed policy” made after the inception date of this policy will not be binding on us unless we agree to them in writing:
 - i) Any change that is subject to an additional premium charge; or
 - ii) The inclusion of an additional coverage extension endorsement; or
 - iii) Any other changes that broaden the scope of insurance already provided, except to the extent stated in **3.a.ii)** above.

4. Maintenance of Underlying Insurance

You agree and represent that during the policy period:

- a. You will keep the “underlying policies” in full force and effect; and
- b. Any renewals or replacements of the “underlying policies” will provide equivalent insurance to, and afford limits of insurance equal to or greater than, the policy being renewed or replaced.

If you fail to comply with these requirements, we will be liable only to the same extent that we would have been liable had you fully complied with these requirements, and the insurance in this policy will only apply as if such insurance and limits of insurance of the “underlying policies” were in place.

5. Required Notices to Us by the Insured

As soon as practical, you shall give written notice to us of any:

- a. Occurrence, offense, claim or suit likely to involve this policy; and
- b. Change, cancellation or non-renewal of the “followed policy”.

6. Unimpaired Underlying Limits of Insurance

You warrant that the total limits as listed in the Schedule of Underlying Insurance shall be unimpaired as of the effective date of this policy. In the event such limits are impaired as of the effective date of this policy, this policy shall apply as if such limits of insurance were unimpaired. In the event of non-concurrent policy periods between this policy and any “underlying policies”, only occurrences or claims that would be covered during the policy period of this policy shall be considered in determining the extent of any reduction or exhaustion of the underlying aggregate limits of insurance, and the insured shall retain liability for any resulting gap in insurance.

7. Singular and Plural Form of a Word

If the singular or plural form of a word is used in this policy, such word shall also include the other form as required in the context of the sentence using such word, as appropriate, including the words contained in Section V- **DEFINITIONS** below (for example: “underlying policy” and “underlying policies”).

8. Service of Suit

It is agreed that in the event of our failure to pay any amount claimed to be due hereunder, we, at the request of the Insured, will submit to jurisdiction of a court of competent jurisdiction within the United States. Nothing in this condition constitutes or should be understood to constitute a waiver of our rights to commence an action in any court of competent jurisdiction in the United States, to remove an action to a United States District Court or to seek a transfer of a case to another court as permitted by the laws of the United States or any state in the United States. It is further agreed that service of process may be made upon us as provided in the Declarations with respect to Service of Suit, and that in any suit instituted against us, upon this policy, we will abide by the final decision of such court or of an appellate court in the event of an appeal.

Further, pursuant to any statute of any state, territory, or district of the United States which makes provision therefore, we hereby designate the Superintendent, Commissioner, Director of Insurance, or other officer specified for that purpose in the statute, or his or her successor or successors in office as our true and lawful attorney upon whom may be served any lawful process in any action, suit or proceeding instituted by or on behalf of the Insured or any beneficiary hereunder arising out of this contract of insurance, and hereby designate the Counsel listed in the Declarations with respect to Service of Suit as the person to whom the said officer is authorized to mail such process or a true copy thereof.

SECTION V - DEFINITIONS

The following Definitions apply to this policy:

1. “Followed policy” means the policy listed in Item **4.** of the Declarations Page of this policy.
2. “Insured” means any person or organization that is an insured pursuant to the “followed policy”.
3. “Named insured” means the person or entity listed in Item **1.** of the Declarations Page of this policy.

The amount shown as the General Aggregate in the **Limits of Insurance Schedule** of the **Limits of Insurance Modification** endorsement is the most we will pay for all damages insured under this policy not included within the "products-completed operations hazard". The General Aggregate shall apply in the same manner as the "followed policy", including on a per project or per location basis.
2. Where an amount is shown as the General Aggregate Maximum in the **Limits of Insurance Schedule** of the **Limits of Insurance Modification** endorsement, then a General Aggregate Maximum applies, and

this is the most we will pay for all damages within Paragraph 1. above regardless of the number of “insureds”; claims made or suits brought; persons or organizations bringing claims or suits; projects or locations; losses; occurrences; events or any other similar basis upon which a Limit of Insurance may be calculated.

This General Aggregate Maximum applies to the entire policy period that the policy is in force and shall not reinstate annually unless the “followed policy” includes an equivalent General Aggregate Maximum and provides for the reinstatement of such limit, in which case this policy shall reinstate its General Aggregate Maximum in the same manner as the “followed policy”.

3. The amount shown as the Products-Completed Operations Hazard Aggregate in the **Limits of Insurance Schedule** of the **Limits of Insurance Modification** endorsement is the most we will pay for all damages insured under this policy and included in the “products-completed operations hazard”. The Products-Completed Operations Hazard Aggregate shall apply separately to each year the policy is effective but not including any extended “products-completed operations hazard” period.

The respective annual Products-Completed Operations Hazard Aggregate limit shall apply to all those damages included in the “products-completed operations hazard” arising out of those enrolled projects for which the “products-completed operations hazard” period began in that specific policy year. Only that single annual Products-Completed Operations Hazard Aggregate limit shall be available for those enrolled projects regardless of the length of the “products-completed operations hazard” period or the number of “insureds”; claims made or suits brought; persons or organizations bringing claims or suits; projects or locations; losses; occurrences; events or any other similar basis upon which a Limit of Insurance may be calculated.

No additional Products-Completed Operations Hazard Aggregate limit is provided for an extended “products-completed operations hazard” period.

1. Where an amount is shown as the Products-Completed Operations Hazard Aggregate Maximum in the **Limits of Insurance Schedule** of the **Limits of Insurance Modification** endorsement, then a Products-Completed Operations Hazard Aggregate Maximum applies, and this is the most we will pay for all damages within Paragraph 3. above regardless of the number of “insureds”; claims made or suits brought; persons or organizations bringing claims or suits; projects or locations; losses; occurrences; events or any other similar basis upon which a Limit of Insurance may be calculated.

This Products-Completed Operations Hazard Aggregate Maximum applies to the entire policy period that the policy is in force and shall not reinstate annually unless the “followed policy” includes an equivalent Products-Completed Operations Hazard Aggregate Maximum and provides for the reinstatement of such limit, in which case this policy shall reinstate its Products-Completed Operations Hazard Aggregate Maximum in the same manner as the “followed policy”.

2. Subject to the paragraphs above, the amount shown as the Per Occurrence limit in the **Limits of Insurance Schedule** of the **Limits of Insurance Modification** endorsement is the most we will pay for all damages arising out of any one loss, occurrence, claim or event.
3. Defense costs and expenses shall operate in an identical manner to the “followed policy”.
4. If the “followed policy” includes a limit of insurance or other amount for which no corresponding amount is shown in the Schedule above, then no such limit of insurance shall be provided under this policy, and this policy shall not follow the “followed policy” with respect to such coverage.

5. All defined terms used herein that are not specifically defined by this policy or by endorsement to this policy shall have the same meaning as the “followed policy”.

All other terms and conditions of this policy remain unchanged.

EXCESS LIABILITY COVERAGE FORM

There are provisions in this policy that restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured. The words "we," "us" and "our" refer to the Company providing this insurance. The word Insured means any person or organization qualifying as such in the "first underlying insurance." Other words and phrases that appear in quotation marks have special meaning and can be found in the **DEFINITIONS** Section or the specific policy provision where they appear.

In consideration of the payment of the premium and in reliance upon the statements in the Declarations we agree with you to provide the coverage as follows:

INSURING AGREEMENTS

I. COVERAGE

We will pay on behalf of the Insured the amount of "loss" covered by this insurance in excess of the "Underlying Limits of Insurance" shown in Item 5. of the Declarations, subject to **INSURING AGREEMENT** Section II., **Limits of Insurance**. Except for the terms, conditions, definitions and exclusions of this policy, the coverage provided by this policy will follow the "first underlying insurance."

of the Declarations is the most we will pay for all "loss" that is subject to an aggregate limit provided by the "first underlying insurance." The aggregate limit applies separately and in the same manner as the aggregate limits provided by the "first underlying insurance," provided that all "underlying insurance" applies their aggregate limit in the same manner as the "first underlying insurance."

II. LIMITS OF INSURANCE

A. The Limits of Insurance shown in the Declarations and the rules below describe the most we will pay under the terms of this insurance regardless of the number of:

1. Insureds;
2. claims made or suits brought;
3. persons or organizations making claims or bringing suits.

B. The Limits of Insurance of this policy will apply as follows:

1. This policy applies only in excess of the "Underlying Limits of Insurance" shown in Item 5. of the Declarations.
2. The aggregate limit shown in Item 4.

3. Subject to **B.2.**, the occurrence limit stated in Item 4. of the Declarations is the most we will pay for all "loss" arising out of any one occurrence to which this policy applies.

4. Subject to Paragraphs **B.2.** and **B.3.** above, if the "Underlying Limits of Insurance" described in Item 5. of the Declarations are either reduced or exhausted solely by payment of "loss," such insurance provided by this policy will apply in excess of the reduced underlying limit or, if all underlying limits are exhausted, will apply as "underlying insurance" subject to the same terms, conditions, definitions and exclusions of the "first underlying insurance," except for the terms, conditions, definitions and exclusions of this policy.

However, we will not pay that portion of a "loss" that is within the "Underlying Limits of Insurance" which the Insured has agreed to fund by self-insurance or means other than insurance.

5. The limits of this policy apply separately to each consecutive annual period, and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations unless the policy period is extended after issuance for an additional period of less than 12 months. In that case the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

III. DEFENSE

- A. We will not be required to assume charge of the investigation of any claim or defense of any suit against you.
- B. We will have the right, but not the duty, to be associated with you or your underlying insurer or both in the investigation of any claim or defense of any suit which in our opinion may create liability on us for "loss." If we exercise such right, we will do so at our own expense, but not after the limits of this policy are exhausted.

IV. EXCLUSIONS

This policy does not apply to:

- A. Any liability, including, but not limited to settlements, judgments, costs, charges, expenses, costs of investigations, or the fees of attorneys, experts, or consultants arising out of or related in any way, either directly or indirectly, to:
 1. asbestos, asbestos products, asbestos-containing materials or products, asbestos fibers or asbestos dust, including, but not limited to, manufacture, mining, use, sale, installation, removal, or distribution activities;
 2. exposure to testing for, monitoring of, cleaning up, removing, containing or treating of asbestos, asbestos pro-

ducts, asbestos-containing materials or products, asbestos fibers or asbestos dust; or

3. any obligation to investigate, settle or defend, or indemnify any person against any claim or suit arising out of or related in any way, either directly or indirectly, to asbestos, asbestos products, asbestos-containing materials or products, asbestos fibers or asbestos dust.
- B. Any liability, including, but not limited to settlements, judgments, costs, charges, expenses, costs of investigations, or the fees of attorneys, experts, or consultants arising out of or in any way related to:
 1. the actual, alleged or threatened presence, discharge, dispersal, seepage, migration, release or escape of "pollutants," however caused;
 2. any request, demand, or order that any Insured or others test for, monitor, clean up, remove, contain, treat, detoxify, neutralize or in any way respond to or assess the effects of "pollutants." This includes demands, directives, complaints, suits, orders or requests brought by any governmental entity or by any person or group of persons;
 3. steps taken or amounts incurred by a governmental unit or any other person or organization to test for, monitor, clean-up, remove, contain, treat, detoxify or neutralize or assess the effects of "pollutants."

This exclusion will apply to any liability, costs, charges or expenses, or any judgments or settlements, arising directly or indirectly out of pollution whether or not the pollution was sudden, accidental, gradual, intended, expected, unexpected, preventable or not preventable.

As used in this exclusion "pollutants" means any solid, liquid, gaseous or thermal irritant or contaminant, including, but not limited to, smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste material.

Waste material includes materials which are intended to be or have been to be recycled, reconditioned or reclaimed.

- C. Any liability excluded by the Nuclear Energy Liability Exclusion attached to this policy.

V. DEFINITIONS

- A. "First underlying insurance" means the policy or policies of insurance stated as such in Item 5. of the Declarations.
- B. "Loss" means those sums actually paid in the settlement or satisfaction of a claim which you are legally obligated to pay as damages after making proper deductions for all recoveries and salvage.
- C. "Underlying insurance" means "first underlying insurance" and all policies of insurance listed in Item 5. of the Declarations.
- D. "Underlying Limits of Insurance" means the total sum of the limits of all applicable "underlying insurance" stated in Item 5. of the Declarations, including self-insurance, or means other than insurance.

VI. CONDITIONS

A. Appeals

In the event you or any underlying insurer elects not to appeal a judgment in excess of the amount of the "Underlying Limits of Insurance," we may elect to appeal at our expense. If we do so elect, we will be liable for the costs and interest incidental to this appeal. In no event will this provision increase our liability beyond the applicable Limits of Insurance described in Section II. of this policy.

B. Bankruptcy or Insolvency

The bankruptcy, insolvency or inability to pay of any Insured or the bankruptcy, insolvency or inability to pay of any of the underlying insurers will not relieve us from the payment of any claim or suit covered by this policy.

In the event of bankruptcy or insolvency of any underlying Insurer, the insurance afforded by this policy will not replace

such "underlying insurance," but will apply as if the "underlying insurance" was available and collectible.

C. Changes

Notice to any agent or knowledge possessed by any agent or any other person will not effect a waiver or change in any part of this policy. This policy can only be changed by a written endorsement that becomes a part of this policy and that is signed by one of our authorized representatives.

D. Cancellation

1. You may cancel this policy. You must mail or deliver advance written notice to us stating when the cancellation is to take effect.
2. We may cancel this policy. If we cancel because of nonpayment of premium, we must mail or deliver to you not less than ten (10) days advance written notice stating when the cancellation is to take effect. If we cancel for any other reason, we must mail or deliver to you not less than thirty (30) days advance written notice stating when the cancellation is to take effect. Mailing that notice to you at your mailing address shown in Item 1. of the Declarations will be sufficient to prove notice.
3. The policy period will end on the day and hour stated in the cancellation notice.
4. If we cancel, final premium will be calculated pro rata based on the time this policy was in force.
5. If you cancel, final premium will be more than pro rata; it will be based on the time this policy was in force and increased by our short rate cancellation table and procedure.
6. Premium adjustment may be made at the time of cancellation or as soon as practicable thereafter but the cancellation will be effective even if we have not made or offered any refund due you. Our check or our representative's

check, mailed or delivered, will be sufficient tender of any refund due you.

7. The first Named Insured in Item 1. of the Declarations will act on behalf of all other Insureds with respect to the giving and receiving of notice of cancellation and the receipt of any refund that may become payable under this policy.
8. Any of these provisions that conflict with a law that controls the cancellation of the insurance in this policy is changed by this statement to comply with the law.

E. First Named Insured Duties

The person or organization first named in Item 1. of the Declarations is responsible for the payment of all premiums. The first Named Insured will act on behalf of all other Named Insureds for the giving and receiving of notice of cancellation or the receipt of any return premium that may become payable.

We will be furnished a complete copy of the "first underlying insurance" described in Item 5. of the Declarations and any subsequently issued endorsements which may in any way affect this insurance.

F. Legal Actions Against Us

There will be no right of action against us under this insurance unless:

1. you have complied with all the terms of this policy; and
2. the amount you owe has been determined by settlement with our consent or by actual trial and final judgment.

This insurance does not give anyone the right to add us as a party in an action against you to determine your liability.

G. Maintenance of Underlying Insurance

During the period of this policy, you agree:

1. to keep the policies listed in Item 5. of the Declarations in full force and effect;
2. that the Limits of Insurance of the "underlying insurance" policies listed in Item 5. of the Declarations will be maintained except for any reduction or exhaustion of aggregate limits by payment of claims or suits for "losses" covered by "underlying insurance."

If you fail to comply with these requirements, we will only be liable to the same extent that we would have been had you fully complied with these requirements.

H. Notice of Occurrence

1. You must see to it that we are notified as soon as practicable of an occurrence which may result in a claim or suit which may involve this policy. To the extent possible, notice will include:
 - a. how, when and where the occurrence took place;
 - b. the names and addresses of any injured persons and witnesses;
 - c. the nature and location of any injury or damage arising out of the occurrence.
2. If a claim or suit against any Insured is reasonably likely to involve this policy you must notify us in writing as soon as practicable.
3. You and any other involved Insured must:
 - a. immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or suit;
 - b. authorize us to obtain records and other information;
 - c. cooperate with us in the investigation, settlement or defense of the claim or suit; and
 - d. assist us, upon our request, in the enforcement of any right against any person or organization which

may be liable to the Insured because of injury or damage to which this insurance may also apply.

4. If the "Underlying Limits of Insurance" are exhausted solely by payment of "loss," no Insured will, except at their own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

I. Other Insurance

If other insurance applies to a "loss" that is also covered by this policy, this policy will apply excess of the other insurance. Nothing herein will be construed to make this policy subject to the terms, conditions and limitations of such other insurance. However, this provision will not apply if the other insurance is specifically written to be excess of this policy.

Other insurance includes any type of self-insurance or other mechanism by which an Insured arranges for funding of legal liabilities.

J. Premium

Unless otherwise provided, the premium for this policy is a flat premium and is not subject to adjustment except as provided herein or amended by endorsement. If any

additional premium charge is made to the "underlying insurance" during the policy period or if there is an increase in the risk assumed by us, our premium may be adjusted accordingly.

K. Terms Conformed to Statute

The terms of this policy which are in conflict with the statutes of the state where this policy is issued are amended to conform to such statutes.

If we are prevented by law or statute from paying on behalf of the Insured, then we will, where permitted by law or statute, indemnify the Insured.

L. When "Loss" is Payable

Coverage under this policy will not apply unless and until the Insured or the Insured's "underlying insurance" is obligated to pay the full amount of the "Underlying Limits of Insurance."

When the amount of "loss" has finally been determined, we will promptly pay on behalf of the Insured the amount of "loss" falling within the terms of this policy.

**TERRORISM INSURANCE PREMIUM DISCLOSURE
AND OPPORTUNITY TO REJECT**

This notice contains important information about the Terrorism Risk Insurance Act and its effect on your policy. Please read it carefully.

THE TERRORISM RISK INSURANCE ACT

The Terrorism Risk Insurance Act, including all amendments ("TRIA" or the "Act"), establishes a program to spread the risk of catastrophic losses from certain acts of terrorism between insurers and the federal government. If an individual insurer's losses from certified acts of terrorism exceed a specified deductible amount, the government will reimburse the insurer for a percentage of losses (the "Federal Share") paid in excess of the deductible, but only if aggregate industry losses from such acts exceed the "Program Trigger". An insurer that has met its insurer deductible is not liable for any portion of losses in excess of \$100 billion per year. Similarly, the federal government is not liable for any losses covered by the Act that exceed this amount. If aggregate insured losses exceed \$100 billion, losses up to that amount may be pro-rated, as determined by the Secretary of the Treasury.

The Federal Share and Program Trigger by calendar year are:

Calendar Year	Federal Share	Program Trigger
2015	85%	\$100,000,000
2016	84%	\$120,000,000
2017	83%	\$140,000,000
2018	82%	\$160,000,000
2019	81%	\$180,000,000
2020	80%	\$200,000,000

MANDATORY OFFER OF COVERAGE FOR "CERTIFIED ACTS OF TERRORISM" AND DISCLOSURE OF PREMIUM

TRIA requires insurers to make coverage available for any loss that occurs within the United States (or outside of the U.S. in the case of U.S. missions and certain air carriers and vessels), results from a "certified act of terrorism" AND that is otherwise covered under your policy.

A "certified act of terrorism" means:

[A]ny act that is certified by the Secretary [of the Treasury], in consultation with the Secretary of Homeland Security, and the Attorney General of the United States.

- (i) to be an act of terrorism;
